The Public Policy® & The School Policy®

The Public Policy® and The School Policy® are the foundations of Genesis' insurance products in the public sector. Each of these policies is tailored to the liability risks faced every day by public entities and schools, and provides a package of comprehensive coverage.

Underwriters with a proven expertise in the public sector will tailor your policy exposures and alternative risk structures. Genesis will work with you to modify our policy to meet your specific needs. The result? One easy-to-follow policy and the peace of mind that only comes from the finest security available.
